

Crime Scene Sketching

Evidence

- Each group should bring in one piece of “evidence” for our crime scene
- “Evidence” MUST be school appropriate
- Items, drawings, tracings, cut outs, etc

Preliminary sketch

- Straight lines not necessary
- Include tables, counters, permanent things; ignore stools, chairs
- Choose 5 pieces of “evidence” to include in your drawing
- Include all measurements in imperial units
- Measure to “evidence” and tables from 2 fixed points, like corners

Final sketch

- To scale (scale is listed, like 1 box = 4 inches)
- Straight lines
- Also includes measurements
- Key if necessary
- Include names of investigators (partners), date and time of initial sketch (1030 on 13 Aug)
