

**Density Column Performance
Assessment**

Brainstorming (5)	Included			Missing (0)
Header (2)	Included	Missing one part (1)		Missing (0)
Title (2)	Included			Missing (0)
Procedure (10)	Clear, concise. Details what data will be collected and how to collect it. (10)	Procedure states what data will be collected and hints at methods to collect. (7)	Procedure does not detail how to collect data. (3)	Missing (0)
Data (10)	Organized. Includes necessary information. Includes units. (10)	Semi-organized. Might not show pertinent data (empty mass...) (7)	Not organized. No units. (3)	Missing (0)
Calculations (10)	Correct formulas, units (10)	Does not include units. (7)	Mistakes in calculations (3)	Missing (0)
Results (5)	Order reflects calculations (5)	2-3 liquids in correct order (3)	1 liquid in correct order (1)	Does not reflect order from calculations (0)
Conclusion (10)	Thorough and thoughtful reflection on lab. Addresses all required components of reflection. (10)	Addresses components. Not thorough. (7)	Missing components. (3)	Missing (0)
